7. What did you do last week as a group application, and what can you do this week as a group to live this message before others?
  
  
  
  
  
  
  
  
  
  
8. Continue to work on your group outreach project.

**Looking Inside Myself (Private):**

9. Living your life before others for them to observe your faith is the first step in teaching discipleship. Is there an area you need to improve on? If so, confess it to God in prayer and ask Him for help in this area through the Holy Spirit.
