d. Challenges to \_\_\_\_\_ Use

e. Security from \_\_\_\_\_ and \_\_\_\_\_

f. Protection from Attacks to \_\_\_\_\_

## **Study Questions**

### **Fall 2017: Week 6 of 12**

(½ Hr. of Preparation before Connection Group, More is Optional)

#### **Looking Up to God:**

Look up the following Scriptures that compare the lives of Abraham and Lot. Write some notes of your observations. Here is a tough question to answer. Why did Lot's righteousness look so different than that of Abraham's? This is your opinion, but takes some thought.

#### **Abraham**

Genesis 12:1-3

13:17-18

17:22

21:10-14

22:1-3

Romans 4:20-22

Hebrews 11:8-9

#### **Lot**

Genesis 19

2 Peter 2:6-7

**True or False:** It is **not** important if our righteousness reflects that of Abraham's or Lot's, but it is important that we have righteousness.

(Continued on Back)

(Continued Questions)

**Looking into Others:**

What kind of kids did you hang out with in high school?

Circle what you deem to be true. Last week's grocery distribution at Lennon Greens was:

- A fun time
- Challenging but rewarding
- Too difficult and inconvenient
- A great way to grow spiritually
- The wrong day as we should not work on the Sabbath
- An interruption to important items in my schedule
- Bad stewardship of God's resources
- A great way to enhance the image of the Church in our community
- Lacking enough LWC promotion
- A time to get to know one another
- A waste of my time
- Other-\_\_\_\_\_

**Looking Out to Others:**

**True or False:** Me, living righteously will cause division and less influence on those God has placed in my life who do not desire to live righteously.

**Looking Ahead:**

What does Ephesians 6:15 mean?

**Looking into Myself (Private):**

What are some areas that you might drag your feet on when it comes to putting on righteousness?
