NOTES:

Study Questions-Spring 2018: Week 7 of 8

(½ Hr. of Preparation before Connection Group, More is Optional)

Looking Up to God:

It seems that Luke, the author of Acts, wanted to make a point that Peter and John did ministry as a team, Acts 3:1, 3 and 4. Read the following Scriptures about intentionally involving people in your work for God: Mark 6:7; Luke 10:1; Acts 2:14, 8:14, 13:2, 15:39-40, 27:2; 2 Timothy 4:9, 11; Ecclesiastes 4:9-12. As you read the Scripture try to think about some benefits of doing ministry with others in place of doing ministry by yourself.

True or False: According to the book of Acts ministry is not a solo effort.

Looking into Others:

Go over your gift test with another person who knows you well. If possible, have them take the gift test for you, www.giftstest.com/test. Sometimes God uses other to help us see a truer picture of ourselves. Document what you learned through your discussion below.

(Continued Questions)

The three major points from this week's story are:

1. _____
2. _____
3. _____

Which one impacts your life the most?

Which one presents the biggest problem for the church of today?

Looking Out to Others:

Read Peter's presentation of the Good News in Acts 3:12-26. Record the items or parts of his presentation below.

Looking Ahead:

Read Chapter 4 of Acts. Honestly compare how the disciples acted during their hardships as to how you might react. I ask that someone in the group takes notes and reports the results to PD @ dana@lwc.church.

Looking into Myself (Private):

Do you need more boldness in your faith? If so ask God each day to increase your faith this week and daily look for opportunities to use the God's provision of faith.
