Looking Up to God:

Read our text from this week, Romans 12:3-10, and 1 Corinthians 12:1-12.

What in 1 Corinthians 12:1-12 overlaps or is redundant to the Romans 12:3-10.

What in 1 Corinthians 12:1-12 are new thoughts on the subject of spiritual gifts not mentioned in Romans 12:3-10.

True or False: In order for our gift to be spiritual it must have a focus toward others needs over the individual with the gift.

Looking into Myself (Private):

One of the foci of this weeks message is placing others above yourself so that we might be part of a team. Is there anything in your life that you can do this week to practice this more genuinely? If so write it down below and ask God to help you accomplish this.
