**LWC Focus**

**Making Disciples Who Make More Disciples**

**Connection Groups:** Our spring session of sermon-based connection groups is here. If you would like to join mid-stream, you can join us Wednesday evenings at 6:30 PM. Our spring session runs through the month of May.

**Fellowship Week:** To ensure we are being Christ-like and have relationships outside LWC, the first full week of each month is designated as Fellowship Week. That week, all adult groups are cancelled to promote our outside friendships through the sharing of a meal, so find a friend and sponsor a meal!

**Weekly \$1 for One Offering:** We ask that each person brings a dollar in addition to their normal tithes and offerings. All dollar bills in our offering will be designated to meet a specific need in our area. This offering demonstrates what the church can do if we work together!

**Life Journals:** Our pastor invites you to journey with him in 2016 through Bible reading and journaling using the *Life Journal*. If you need more information, please indicate this on the connection card.

**Prayer:** Let's build a foundation of prayer in 2016. We have a prayer meeting every Sunday at 9:45 AM in the foyer and the first Monday of each month at 7:00 PM. *Listening to God.* We ask that you join us as we discover the power of prayer!

## Future Focus:

**FGI-Flint Grassroots Initiative:** The second and fourth Saturdays of the month, May 14 and May 28, we will be assisting the Flint Grassroots Initiative, who works in conjunction with the East Michigan District, in the distribution of water, food; and medical needs involving lead poisoning from the drinking water. If you are not able to go, you can assist financially. We will leave from the church at 10 AM to distribute water at Joy Tabernacle Church, located on 2505 North Chevrolet Ave.

**Mowing Season:** It is finally here, mowing season. We are in need of volunteers to assist mowing the church once a month. The time frame needed for this is about three hours per week to mow the yard. We have the equipment all we need is for you to volunteer three hours of your time. To receive more information about this please indicate your interest by checking the appropriate box on the back of the *Connection Card*.

**Fellowship Week—May 1-7:** During this week all attendees of LWC are encouraged to invite and sponsor a meal with a friend, co-worker, or acquaintance who currently does not go to church. This is an excellent platform to grow our non-Christ follower relationships and a practical way to share the love of Christ. To make room for this event the *Splash* connection group will not be meeting.

**Listening for God—Prayer Event:** Pastor Dana invites you on a journey in prayer to hear the voice of God, May 2 from 7:00-8:30 PM. This prayer event focuses on personal silent prayer. The prayer leader will model different forms of prayer. It is a risk free event. Join us in our pursuit to be a prayer led congregation.
